# Calling All Pet Owners!

Join our cause and become a part of something special. We make it possible for volunteers to share their amazing pets (like yours!) with people in need to improve human health and well-being.

## Sharing the love of therapy animals

### Who We Are:

Teton County Pet Partners is a local nonprofit dedicated to making lives brighter and better. Through our work, we connect therapy animal teams with individuals and organizations in need.

### What We Do:

Our TCPP therapy animal teams work wonders! They bring smiles to seniors, comfort to hospital patients, assist children with reading, and alleviate stress and anxiety in everyone they encounter.

### Support our Cause:

Can't commit to becoming a Pet Partners team but still want to help? Consider donating to support our mission. Your generosity allows us to continue our vital work and reach even more people in our community. Every contribution makes a difference!
